

# NEWS & UPCOMING EVENTS

## **SERVICE NOTES**

Hospitality: Rob & Rita Steinhart, Frank Longley, Denise Gregg

Lay Reader: David Soules

Organist: Michael Stevens

Guest Musicians: OKWU Handbell Ensemble

## **AD LIBS SAY “THANK YOU”**

The local singing group the Ad libs has been using our Parlor each Monday night as a rehearsal space. The group wrote recently to express their thanks including a contribution toward our new sound and video systems.

## **CDC FUNDRAISER**

The spring flowers fund raiser offered by the CDC has gone well. The over \$3,000.00 raised enables each classroom to get some but not all of the updated teaching resources requested. Many thanks to everyone who participated! Flowers for the CDC fundraiser ordered through Sedan Floral Inc. will be delivered on Tuesday, April 24. Please come pick-up that afternoon, since we have nowhere to keep them overnight. Thank you for helping update our toys in the classrooms and the Westminster playroom.

## **BALCONY CEILING REFRESHED**

Two months ago a member of the congregation expressed interest in seeing the balcony ceiling restored. Investigating what was involved we discovered that an insurance claim had not been made. The insurance settlement provided 90% of the restoration cost. If you'd like to help defray the remaining costs talk with Reverend Scott. Today we celebrate the completion of the restoration!

## **HVAC IN SANCTUARY**

The day of Dwight Boesiger's Memorial we discovered that the Sanctuary air conditioning was not working. While the service of worship was going on that day our HVAC contractor came to make a repair and discovered that squirrels had built a nest and eaten through wiring disconnecting the unit and that in addition a motor had burned out. Parts have been ordered and the system should be operational soon.

## **ENJOY THE COFFEE CONNECTION?**

You can sign up for the Coffee Connection by signing the clip board in the Conversation Corner this morning or by noting it on your response card.
