## **HAITI MISSION—CHRISTMAS FOOD BLESSING**

Pastor Wilfrid Innocent has been faithfully proclaiming Christ in and around the Dey Mon, Haiti region. Last year, as Christmas drew near Wilfrid asked if Good Shepherd could help offer the 350 members of his church a blessing of food. We contributed \$1,000.00 toward what Wilfrid later reported was a huge blessing to many desperately poor families.

This year the congregation numbers about 500 most Sundays. Wilfrid is inviting us to consider a Christmas blessing of food again. You can help. Your gift will help provide beans and rice for hungry people, and make the reality of God's gift at Christmas a bit more real. Your check should note on the memo line "Haiti food". Wilfrid and his congregation thank you for your gifts of resources and prayers.

For more information you may contact Haiti Mission coordinator Charlie Shipman for more information (918) 336 3939.
